Georgia Tech | **Center for Education Integrating Science, Mathematics & Computing**

Innovators-in-Residence

Now Hiring Dynamic Individuals!

Do you have a passion for tinkering, designing, inventing, making, or art?
Would you like to share your passion with K-12 teachers and students?

APPLY ONLINE

https://bit.ly/2XUqmrL

Innovators-in-Residence partner with teachers at metro Atlanta K-12 schools to develop and implement quality Science, Technology, Engineering, Art, Mathematics (STEAM) curriculum. Innovators will work to create student-centered projects, as well as support engaging STEAM-focused after-school programs.

The Georgia Tech Center for Education Integrating Science, Mathematics, and Computing (CEISMC) is seeking dynamic individuals for its 2021-2022 Innovators-in-Residence cohort.

Duration: June 1, 2021 to May 31, 2022
