Innovators-in-Residence partner with teachers at metro Atlanta K-12 schools to develop and implement quality Science, Technology, Engineering, Art, Mathematics (STEAM) curriculum. Innovators will work to create student-centered projects, as well as support engaging STEAM-focused after-school programs.

The Georgia Tech Center for Education Integrating Science, Mathematics, and Computing (CEISMC) is seeking dynamic individuals for its 2022-2023 Innovators-in-Residence cohort.

Duration: June 1, 2022 to May 31, 2023
